YEAR ENDING  
**December 31, 1965**

**J. EDWARD MAYNARD**

**1885-1965**

For over seventy-five years, "Ed" Maynard lived in Plymouth. Energetic as a young man, devoted head of a colorful family, extremely active business executive, public servant, sportsman, fraternal leader, churchman and wayside philosopher, the substantial contributions he made to the community will not be forgotten.

To know him was to cultivate an affection for him because of his general attitudes, his love for people and his understanding of their problems. To learn of his unselfish service, his generousities and his limitless display of kindness was a rewarding experience which earned for him sincere gratitude from his fellowman.

He lived a very full life in our midst. The town was enriched by his presence. We cherish the memory of his stay here. He will live with us in grateful remembrance.

## TOWN MEETING—MARCH 9, 1965

---

The meeting was called to order by the Moderator, Attorney George T. Ray, Jr., at 10:00 o'clock in the forenoon at the Guy E. Speare Auditorium. Reading of the 1965 warrant, which the Moderator had started, was voted to be dispensed with until 7:30 P. M. It was voted to open the polls; to close them at 6:00 o'clock in the afternoon; to ballot on Articles 1 and 2; all remaining articles to be considered at 7:30 o'clock in the afternoon. The polls were closed at 6:00 o'clock and ballots counted.

At 7:30 o'clock the Moderator reconvened the meeting and lead in a salute to the flag. He again commenced reading the Articles of the Warrant, when a motion was carried to dispense with this formality. He then read the results of the balloting, which were as follows:

Selectman for 3 years	Lee S. Buckland
Tax Collector	Virginia M. Wood
Town Clerk	Helen F. Person
Overseer of Poor	Arthur L. Carpenter, Jr.
Town Treasurer	Helen F. Person
Road Agent	Fred C. Hussey
Auditors	Samuel H. Dreghorn
	Leon M. Huntress

Article 2, relative to playing Beano was adopted by ballot vote, 51 to 13.

At the request of Lloyd Hawkenzen, Chairman of the Budget Committee, the Moderator gave a brief explanation of the functions of this Committee. Later in the meeting every motion to raise money was approved by this Committee before action was taken on it. The Articles of the Warrant were then considered.

### Article 3. Town Charges

Legal expenses	650.00
Social Security, Withholding and retirement	4,000.00
Airports	150.00
Zoning	100.00
	<hr/>
	\$52,562.48

**Article 4.—Library Trustees**

William F. Batchelder was elected for a term of three years.

**Article 5.—Park Commissioner:**

Bruce G. Ryan was elected for a term of three years.

**Article 6.—Trustee of Trust Funds:**

Arthur E. Wadleigh was elected for a term of three years.

**Article 7.—Zoning Board of Adjustment:**

Clarence H. Jones was elected for a term of 5 years.

All of these officers were elected by a motion carried that the Clerk cast one ballot for their election.

**Article 8.—Police Department—Expenses for Year:**

Voted to raise and appropriate \$26,895.50

**Article 9.—Free Public Library:**

Voted to raise and appropriate \$ 6,129.00

**Article 10.—Maintenance and Construction of Highways:**

Voted to raise and appropriate \$57,275.00

**Article 11.—Sidewalks:**

Voted to raise and appropriate \$ 1,500.00

**Article 12.—State Aid Highway Maintenance:**

Voted to raise and appropriate \$ 539.49

**Article 13.—Shade Trees and Control of Pine Blister Rust:**

Voted to raise and appropriate \$ 2,050.00

**Article 14.—Sceva Speare Memorial Hospital:**

Voted to raise and Appropriate \$ 2,500.00

**Article 15.—Civil Defense:**

Voted to raise and appropriate \$ 935.00

**Article 16.—N. E. Tel. & Tel. Company:**

Voted to grant the Telephone Company a right of way to maintain its underground line across the Plymouth Airport property subject to the vote of the Town at its annual meeting.

**Article 17.—Park and Recreation Commission for Playgrounds, Including Coasting, Skating and Conduct a System of Public Recreation:**

Voted to raise and appropriate \$ 9,900.00

\$5.500 of which to be for a Park Director.

**Article 18.—Authority for Selectmen to Borrow Money in Anticipation of Taxes:**

Voted to so authorize.

**Article 19.—Resurfacing Portions of Main and Highland Streets Outside the Limits of the State Highway:**

Voted to raise and appropriate \$ 7,000.00

**Article 20.—Band Concerts:**

Voted to raise and appropriate \$ 700.00

**Article 21.—Memorial Day:**

Voted to raise and appropriate \$ 175.00

**Article 22.—Cemeteries:**

**Article 23.—Town Advertising—Attendant of Information Booth:**

Voted to raise and appropriate \$ 300.00

**Article 24.—Authorization for Selectmen to Handle Real Estate Acquired By Tax Collector's Deed:**

Voted to so authorize.

**Article 25.—Erection of New Building For Storage of Town Vehicles on Former Marston Property on Texas Hill Road:**

A motion to borrow and appropriate \$40,000.00 for this project was lost by a vote of 54 affirmative and 128 negative. The principal objection seemed to be to the location and the consensus of opinion was that the Selectmen, working with the Town Planning Board, should study the matter further.

**Article 26.—Budget Committee:**

The motion made and carried that the Clerk cast one ballot for Walter Cheney for a term of 4 years.

**Article 27.—Acceptance of Fire Department by the Entire Town and a Resultant \$18,000 Indebtedness to Be Raised Through the Issuance of Long Term Notes:**

After much discussion pro and con, the Moderator called for a standing vote and the Article passed by 179 affirmative and 17 negative votes.

**Article 28.—Operation of Fire Department During Current Year.**

Raised and appropriated \$25,895.00

**Article 29.—To see if the Town Will Vote to Participate in Local District Fire Mutual Aid System.**

Voted unanimously so to do.

**Article 30.—To see if the Town will Sponsor the Development of Recreational Facilities at Site 12 of the Baker River Water Shed Project of the United States Soil Conservation Service.**

Attorney William Batchelder requested that the article be amended to read "to instruct the Planning Board to study the feasibility of the Town's development of a recreation facility at Site 12 and to obtain survey permits and report back at next year's Town Meeting". He explained that this held the matter open for 1 year at which time the voters would have to make a decision. The amended article was adopted.

**Article 31.—Any Other Business.**

Voted that the resolution presented by John Sanborn; a copy of which is attached to this report be adopted and its requirements be fulfilled.

Mr. Thomas Goulart moved that the emblem on the cover of the 1964 Town Report be considered by the Selectmen as the official emblem of the Town. Motion seconded and carried.

Motion to adjourn was made and carried at 10:45 P. M.

### REPORT OF THE CHIEF OF POLICE

---

It was gratifying to note that the Plymouth Police Department wound up the year 1965 with a credit of over one thousand dollars. We found that we were able to make a few adjustments within the department that save a few dollars here and there. These savings were passed on to you, the tax-weary citizens.

Undoubtedly many of you have noticed that all the patrolmen now carry a portable radio with them regardless of where they go. This insures much faster service in answering calls. Last summer two patrolmen were able to close in from different sides and apprehend four violators late one evening. Thus the radios have been of tremendous value to the men in the performance of their duties.

In an effort to keep the department up-to-date in these ever-changing times, the year 1966 will bring further schooling and training for all the men. New court decisions and rulings make it necessary to attend seminars and classes frequently in order to stay abreast of the changes.

Our aim for the future is for an efficient and well-informed department which will be a credit to our fast-growing community.

RAYMOND E. WELCH,  
Chief of Police

## LIBRARIAN'S REPORT

---

To the Trustees:

We are happy to report that a series of story hours for kindergarten, first and second grade children has been inaugurated. Mrs. Charlotte Noyes has very kindly taken charge of these monthly affairs and the first one was held on December 11th with 30 children present.

We celebrated National Library Week by exhibiting in the Plymouth Bank a collection of new reference books which had been given to us by the Young Ladies Library Association. We also chose the Neale Freeto family as the Library Family of the year. To celebrate Children's Book Week in November we invited all children to a magic show which was generously provided by the Reverend John Buczynski. Almost 175 children attended.

Two kindergarten classes visited us with their teachers and seven groups of eighth graders were given instruction in the use of the library.

On January 6th we were hosts to a meeting of trustees and librarians of the northern district to hear an explanation of the state wide development program for libraries given by two consultants from the State Library. Your librarian has attended two meetings of the N. H. Library Association and two workshop meetings conducted by the State Library. She has attended five book buying meetings with members of the book committee. At these meetings there was an opportunity to see a variety of new books and to hear discussions on problems of book selection. Your librarian also gave a talk on reference books, and the kind of information service our library can give to its patrons, before a meeting of the DAR.

During the spring eight friends of the library gave 86 hours of work; filing cards, trimming pictures for the picture collection, repairing books and doing similar tasks. We are grateful. Two high school girls, Sara Bartlett and Jane Forbes, gave 20 and 17 hours

respectively during the summer helping with routine work on a regular schedule. A Girl Scout, Suzanne Crane, gave eight hours as part of her badge earning program.

We gratefully acknowledge two fine gifts of reference books—one from the Young Ladies Library association and one from the State Library from Federal Funds. Another much appreciated gift was a collection of children's books from the Rotary Club.

The circulation of books for children and young people decreased this year. The growth of the school libraries has provided more research material for students, although a large part of our service continues to be in this field. However, we are increasing our service to adults, both in providing more current recreational reading and also in answering all sorts of requests for information.

Respectfully submitted,  
ALICE B. DICKINSON, Librarian

### AUDITORS' REPORT

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Trustees of Trust Funds, Treasurer of the Library Trustees, Treasurer of the Park and Recreation Commission, Justice of the District Court, and Tax Collector.

The records of individual receipts and expenditures were found to be correctly cast and properly vouched.

We have verified cash balances and reconciled bank statements for such officials who have town business accounts.

We have examined the securities in the Trust Funds.

We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, Road Agent, Chief of Police, and Secretary.

**DIVISION OF PUBLIC HEALTH  
DEPARTMENT OF HEALTH AND WELFARE**

**Mr. Arthur Carpenter, Health Officer**

12 Pleasant Street  
Plymouth, N. H.

Dear Health Officer:

The following is a report of the Health Activities conducted in the town of Plymouth, by the N. H. Division of Public Health—Public Health Nursing, for the year 1965.

The Public Health Nurse has made home visits and office consultation visits have been made in the interest of all age groups. Referrals were made to private physicians, Cripple Children's Services, Pediatric Cardiac Clinics, for Speech Therapy, applications for Sight Conservation, for loan of hospital equipment for home use through American Legion Auxiliary and assistance for financial aid referred to the proper agencies. All cases of communicable diseases referred from the State Office have been followed through.

On May 13, 1965 the nurse served on a panel discussion, sponsored by the Plymouth Council of Church Women, and held at the Methodist Church. The subject for discussion was "Poverty in the Midst of Plenty—and the problems of this area."

In December two preliminary meetings of the study group to combat poverty in this area were held at the Court House. The nurse attended and was appointed to serve as a member of the nominating committee for the purpose of choosing a Committee of fifteen interested citizens from the communities in the Baker-Pemi-Valley to serve on the study group of the Anti-Poverty Committee. This group will study the needs of the area and come up with suggestions for improvement if practical.

During the fall of 1965 the Public Health Nurse served on a Mental Retardation Study Group for Dartmouth-Sunapee region. The communities of Plymouth and surrounding towns were included in this study. As a result of these meetings recommendations have been made to improve clinical services, care and treatment and educational facilities for the mentally handicapped child.

Plymouth should be congratulated on the establishment of a Special Class for children in connection with the grade school. It was a privilege to have these children visit my office on one of their numerous field trips. At this time they met and were given a talk and demonstration of dental care by Mrs. Herberta Stark, Dental Hygienist from the New Hampshire Division of Dental Public Health.

In October a Tuberculin Testing Program was held at the school. Dr. F. McIver, School Physician, did the tests. He was assisted by State Public Health Nurse and the local School Nurse. These tests were given to grades 1-5-9-12 and the Special Class. They were also available to the school personnel. A total of 228 tests were given and 7 reactors found. The Public Health Nurse followed through with home visits on family contacts of the reactors and these were urged to have tuberculin tests or chest Xrays, either at their family physician's or at the Plymouth Chest Xray Clinic.

Chest Xray clinics were held at IOOF Hall in Plymouth on May 10th and October 27, 1965. A total of 166 chest Xrays were taken by the NHTB & Health Association. Dr. Robert Kerr of the N. H. T. B. Association was the attending physician and Gene Alden, the Xray technician. Written reports of results of the chest Xrays sent to all parties concerned. These clinics served Plymouth and surrounding communities.

The names of children in the community were submitted to the Firemen's Operation Santa Claus—I am sure this worthy project, carried on from year to year,

has given much happiness to the children being remembered as well as to the Firemen and their assistants who contribute much of their time to make it a success. The nurse also cooperated with the Christmas Community Closet program.

A survey has been made on the Home Care Program of Medicare Service. Interviews and conferences have been held with the Town officials and Hospital Administrators regarding the up-coming Medicare Program. It is hoped that eventually Plymouth will have coverage for their older citizens under some form of home care program. More studies will be made and possibilities explored as further information becomes available.

My sincerest thanks go to the following for their excellent cooperation and assistance given throughout the past year in helping to protect the health of the citizens of Plymouth:

Members of Plymouth Medical Society for their excellent cooperation, the Hospital Personnel, the School Nurse and other School Personnel, Local groups who assisted at the clinics, Local Health Officer, for the excellent cooperation of the Local Police Department in problems involving health and for the use of the IOOF Hall for the tuberculosis clinics.

I expect to retire as Public Health Nurse for the N. H. Division of Public Health on May 5, 1966. I wish at this time to state that I have greatly enjoyed my work in this area and I am sure will miss the pleasant associations with professional people and with the patients that I have attempted to assist. It has been very challenging to carry on the various public health programs. I am sure there will be a replacement and the work will continue with renewed strength.

Respectfully submitted,

LOIS B. REED, R. N.

Public Health Nurse, N. H. Division of Public Health

## CHAMBER OF COMMERCE

July 28, 1966

Board of Selectmen,  
Plymouth, N. H.

Gentlemen:

The Information Booth was open from June 26, 1965 to September 5, 1965 inclusive.

Miss Hazel Downing was in attendance until August when she was obliged to stop work to undergo surgery. George Harris completed the season.

The booth serviced 3,911 cars and 11,531 persons. This is a decrease of 35.7% cars and 40.4% persons from 1964.

The following five states from which the bulk of inquirers come showed these decreases:

Mass. 2665 cars in 1964 down to 1,600 cars—39.9%  
N. Y. State 713 cars in 1965 down to 466 cars—34.6%  
New Jersey 287 cars in 1964 down to 173 cars—39.7%  
Rhode Island 403 cars in 1964 down to 253 cars—37.2%  
New Hamp. 618 cars in 1964 down to 347 cars—56.1%

The entire appropriation was used for attendants' salaries and was paid to them direct from the town.

Respectfully submitted,

CLARENCE H. JONES,

Chairman Information Booth Committee

## PLYMOUTH CIVIL DEFENSE REPORT FOR 1965

During the past year this department has worked to develop an effective communications system which would be of benefit to the town in the event of an emergency. Through the cooperation of the police department and Chief Raymond Welch we have seen the growth of a communications network for this area which has proved to be of great value to the functioning of emergency communications during the past year. We are fortunate in having an individual like the chief who is willing and capable of developing such a program.

We are in the process of reorganizing the auxiliary police under the direction of Charles Morse and his plans for an organized auxiliary unit show definite promise.

Events during the past few years have shown a definite need for a special type of unit which will include individuals with skills and training not generally available in a police or fire department. Many communities throughout the state have developed such units and it is recommended by the state civil defense agency that such a unit be organized in this community. This unit, generally called a Rescue Squad, would consist of men specially trained in first aid, rescue techniques, and having special skills which are needed in emergencies of more than a regular nature. This might include electricity, rigging, plumbing, welding, hydraulics, and other special skills such as the use of respirators, diving gear, climbing, and first aid. Raymond Holland has expressed a desire to develop such a squad and is presently working on plans for such a unit. He has consulted with members of such units in other towns and is using their suggestions.

The emergency power supply has been installed at the fire station and will provide power for this location in the event that regular power is lost or shut off for any reason.

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

### WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush:
  - a. Always get permit to burn from the warden
  - b. Start your fire late in the day after 5 P. M.
  - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

## THE STATE OF NEW HAMPSHIRE

---

To the inhabitants of the School District in the Town of Plymouth qualified to vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in said district on the third day of March, 1966 at eight o'clock in the afternoon, to act upon the following subjects:

Article 1. To choose a Moderator for the coming year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To hear the reports of Agents, Auditors and Committees or Officers chosen, and pass any vote relating thereto.

Article 6. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

Article 7. To see if the district will raise and appropriate the sum of Four Hundred Forty Thousand, Five Hundred Twenty-four Dollars and Eighteen cents (\$440,524.18) for the support of schools, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation which leaves an estimated balance of Two Hundred Thirty-One Thousand, Four Hundred Sixty-Nine Dollars and Eighty-two Cents (\$231,469.82) to be raised by taxes by the town.

Article 8. To see if the district will vote to accept the provisions of Title 1, Public Law 89-10 (Elementary and Secondary Education Act of 1965) designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the School Board. Further, to see if the district will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

Article 9. To see if the District will vote to accept the contract negotiated by the School Board between Plymouth School District and Plymouth State College for the education of pupils in grades kindergarten through six, said contract to be for a period of five (5) years from July 1, 1967, and to authorize the School Board to execute the said contract, thereby binding the School District thereto.

Article 10. To see if the district will authorize the School Board to negotiate contracts for tuition students for attendance in the Plymouth School System and further to authorize the School Board to execute such contracts in its discretion.

Article 11. To see if the district will vote to authorize the School Board to make application for and to accept on behalf of the district any and all grants or offers for educational purpose which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.

Article 12. To see if the district will establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year in an amount not exceeding One Thousand (\$1,000.00), all in accordance with Revised Statutes Annotated 198:4-b.

Article 13. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 14th day of February, in the year of our Lord nineteen hundred and sixty-six.

## SUPERINTENDENT'S ANNUAL REPORT

---

Hereby submitted is my annual report as your Superintendent of Schools. It is difficult to assess from one year to another the progress made in education whether it be on the national, state or local level. However, when one looks back to where education was ten or even five years ago, much progress can be discerned. Here in Plymouth the situation is no different. Space is too short to elaborate but I am sure during the past decade we have come a long way. I feel sure residents of the town who have been here during this period could verify the statement. However, this is not the time to be complacent. We cannot afford to stand still or we will go backward. Education and knowledge are increasing so rapidly it is almost beyond comprehension. During the last ten years alone, statisticians tell us more knowledge and information has been amassed than there had been during the past 50 years. These facts concern educators. In the times ahead, unless we use all the media at our command, it will not be possible to keep abreast of education.

Related to the above statement, it might be well to review the changes that have been made this past year alone. Pursuant to a vote taken at the last annual school district meeting, a Special Class for slow learners has been started. This is important. The youngsters involved in such a class have little opportunity to progress in a regular classroom. Most of their classmates are able to move forward at a more rapid pace than they and with a full classroom of pupils, it is impossible for the teacher to give them as much time as they need. This class is operating very satisfactorily under the leadership of Mrs. Charlotte Noyes who will complete her qualifications for the position by attending summer school this year. Results to date are very encouraging and I would urge you to a continu-

ation of the class. The maximum number recommended for such a class is fifteen and there now are ten in it. Six of these are Plymouth residents and four are on a tuition basis—two from Campton, one from Holderness and one from Rumney. I realize that the per pupil cost of the class is high but this is true everywhere. I am convinced however more tuition students will want to enter as time passes. When the state takes care of their obligation in accordance with the law, the per pupil costs will compare favorably with the cost of the education of a child in a regular classroom.

Another area where instruction has been improved is that of Remedial Reading. One of the elementary teachers that Plymouth pays an average salary for, in accordance with the contract, is doing this work full time. On this basis, all Plymouth youngsters who need this service may benefit.

The Plymouth School District next year—grades K-12—will become members of the New England School Development Council. The Council is composed of a select group of New England High Schools and Professional Administrators who work regularly to keep abreast of modern trends of education. The dues to this organization will be paid for jointly one-half by Plymouth State College and one-half by the Plymouth School District. They hold regular seminars and work shops in the various subject matter areas as well as those of administration and supervision. In connection with the Council, Plymouth High School has been chosen as one of the five New England High Schools in which a study will be made by the Lincoln Filene Center of Tufts University on Adult and Youth Values. I consider it an honor to our school system that we were the only high school in New Hampshire chosen to participate. The local newspaper will keep the citizenry apprised as the study progresses.

Several new members were added to the staff of the Junior-Senior High School last fall. Mr. Ronald

Lamothe, who received his M. Ed. from Boston University in the summer of 1965 was employed to replace Joseph Lavacchia who decided to continue his education. Donald MacLeod, a Veteran and a graduate of the University of Massachusetts replaced Guy Kenneson who accepted the position as Principal of Holderness Elementary School. Staff changes at the high school level included Michael Walsh for Clarence Pelkie as Director of Physical Education and as coach and Kevin Barlow succeeded Justin Staples in the Science Department. Paul Rice, a 1965 graduate of Plymouth State College with a major in Mathematics, was employed to replace Carl Britton who accepted a position in the Mathematics Department of the College. All of our replacements have proven to be most satisfactory. I would call your attention to the fact that we are requesting a Girls' Physical Education instructor in the budget for next year. For a long time, there has been a need but until now, it has not been justifiable on the basis of work load. The addition will strengthen the Physical Education Department and at the same time allow us to use the Physical Education teachers in regular classrooms when they are not teaching their regular classes.

There are two other items that should be mentioned in my report. One concerns an article in the warrant to approve the acceptance of Federal funds under Title 1 of the Elementary and Secondary Act of 1965 Public Law 89-10. I am sure you have read with interest some articles in the papers concerning the acceptance or rejection of these funds. At this time, I am not concerned with Federal control of our school systems. For many years we have accepted Federal funds in the Home Economics Department and for a reimbursement on the Hot Lunch Program. We have also accepted the provisions of the N. D. E. A. where a subsidy of one-half the cost of Mathematics, Foreign Language and Science equipment has been purchased. I have seen little or no evidence of Federal control attached to these funds. In fact, in nine-

teen years of school administration, I have seen only one Federal Inspector. I would conclude, however, that as time progresses, it would be well to carefully evaluate the direction that various forms of Federal aid might take and be prepared to question if interference began.

An area that should interest each and every individual is that of the proposed Cooperative School District. I am confident that a majority of the Plymouth voters realize the many implications and ramifications of such a step. I am sure that in the long range planning for the community the end will more than justify the means. As you read this, the vote may already have been taken. It is quite possible that some of the districts will have dropped by the wayside but I urge you, if this happens, to make sure that the towns who have indicated they want better education and better facilities will go ahead with their plans without them. Plymouth is a growing community and cannot help but grow more and faster in the years ahead. In my opinion, good education is the cornerstone upon which any community will grow.

The School Board, Administration of Elementary and Secondary Schools and myself appreciate your continued help and cooperation toward the end that each Plymouth youngster receives the best education possible with the funds that are available to us.

Respectfully submitted,

M. WAYNE BOWIE,  
Superintendent of Schools

## EXPLANATION OF SUPERINTENDENT'S SALARY

---

Section 5, Chapter 243, Laws of 1953, of the State of New Hampshire, requires that the school district annual reports show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1964-65 received a salary of \$10,050.00 which was made up as follows: \$4750.00 paid from the per capita tax and \$5300.00 prorated among the several school districts. Allowances of \$1100.00 for travel within the union was also prorated as stated above. The several school districts numbered five in 1964-65. The School District of Warren became a part of Supervisory Union No. 48 as of July 1, 1965.

The table shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$1,001.70	\$ 207.90
Plymouth	2,703.00	561.00
Rumney	821.50	170.50
Thornton	503.50	104.50
Wentworth	270.30	56.10
	<hr/>	
	\$5,300.00	\$1,100.00

Superintendent's Salary for 1964-65 based on the above figure is reconciled as follows: \$4750. paid from State per capita tax plus \$5300. paid by various districts, equals \$10,050.—Superintendent's basic salary.

## PRINCIPAL'S ANNUAL REPORT

I hereby submit my fourteenth annual report as Principal of Plymouth High School.

As usual, we have had a very small turnover in our staff. Mr. Walsh and Mr. Lamothe replaced Mr. Pelkie and Mr. Lavacchia, who are furthering their educations. Mr. Barlow replaced Mr. Sargent who wished to teach nearer his home in Franklin. Mr. McLeod replaced Mr. Kenneson, who accepted the principalship for the Holderness Central School. I feel that our school has profited by the calibre of the teaching personnel that has been hired by our School Board.

Our school feels honored for being selected as one of five schools in New England to participate in the "Youth and Adult Values Project." This project is under the directorship of Professor Kvaraceus of Tufts College. It is sponsored by the Lincoln Filene Center for Citizenship and Public Affairs.

## SCHOOL NURSE'S REPORT

The following is a report of the Plymouth School health program for 1965.

Dr. F. D. McIver, school physician, completed physical examinations for 302 pupils and 35 pre-school children.

On registration day in April, 35 dental inspections were done by Dr. E. B. Crowell, school dentist. Mrs. Helen Hodgkins, Red Cross Grey Lady, assisted on this day.

A tuberculin test clinic was held in October under the supervision of Mrs. Lois Reed, R. N., public health nurse. Dr. McIver, assisted by Mrs. Marjorie Trojano, R. N., administered the sterneedle test to 237 pupils and 3 staff members. Seven reactors to this test were identified and x-rays recommended either by a private physician or Dr. Robert Kerr of the N. H. Tuberculosis and Health Association.

The Crippled Children's Services matched local contributions to send three boys to Y. M. C. A. Camp Lincoln for a month. During this time the boys received speech therapy. This service also sponsored speech evaluation for three children at the Hitchcock Clinic in Hanover, and the Sight Conservation Program assumed financial responsibility for an eye examination for one child. One child was seen at the Mental Hygiene Clinic in Concord. Local contributors to the Camp Lincoln Fund were the Business & Professional Women's Club, Methodist Home Missions, Plymouth Community Closet, Robert Pugh, and Salvation Army.

The Lindsay fund (administered by the American Red Cross) provided dental treatment for 16 children by Dr. E. B. Crowell on a clinic basis.

Mrs. Herberta Stark, dental hygienist for the Bureau of Dental Public Health, conducted a demonstration for the special class during the month of November.

### School Nurse's Work

		Defects	Corrections
Vision tests	467	74	41
Hearing tests	78	23	3
Dental inspections	197	40	49
Head inspections	320

### Communicable Diseases

Chicken pox - 7  
Conjunctivitis - 4  
"Flu" virus - 256  
German measles - 20  
Impetigo - 4  
Infectious hepatitis - 3  
Infectious mononucleosis - 3  
Scarlet fever - 1

In January there were over 20 children receiving free hot lunch while, during the last months of the year, there were 7.

I wish to thank all the people who have assisted me with this program during the past year, especially the organizations and individuals giving financial aid and effort to the Camp Lincoln fund and the dental clinic fund.

## THE STATE OF NEW HAMPSHIRE

---

To the inhabitants of Plymouth Village Fire District qualified to vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium on Thursday, the 10th day of March next at 7:30 o'clock in the afternoon to act on the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the ensuing year.

Article 4. To choose one District Commissioner for the ensuing three years.

Article 5. To choose Auditors for the ensuing year.

Article 6. To see what sum of money the District will vote to raise for fire protection for the ensuing year. (Hydrant Rental)

Article 7. To see if the District will vote to authorize the Commissioners to borrow such sums of money as may be necessary to pay debts of the District and to give notes therefor, countersigned by the District Treasurer.

Article 8. To see if the District will vote to authorize the Commissioners, in their discretion, to construct an extension of the sewer main from its present terminus on Pleasant Street Extension, so-called, approximately 800 feet in a westerly direction, and in order to pay for the same to appropriate a sum not to exceed Three Thousand Dollars (\$3,000.00), and to authorize the Commissioners to borrow the same, in whole or in part, pursuant to the provisions of the

Municipal Finance Act, or to apply against said construction any surplus operating revenue in an amount to be determined by the Commissioners to be in the best interests of the District.

Article 9. To transact any other business that may legally come before the said meeting.

Given under our hands and seals this 21st day of February in the year of our Lord nineteen hundred and sixty-six.

### WATER AND SEWER DEPARTMENT

#### 1965 Work Report

---

A total of 301 feet of pipes of all sizes were laid in 1965.

On Warren Street, which is one of the division points between our high and low level system, two new valves were installed to make the flushing of the old pipes in this area more satisfactory.

In some of the areas in town where there are old pipes and dead ends, the highly corrosive quality of our water was beginning to cause trouble from red water. To remedy this situation, upon the recommendation of the Health Department, the Water Department built, equipped and put into operation on October 18, 1965, near the wells on Foster Street, a treatment station which automatically pumps caustic soda into the main line whenever the main pumps are running. This treatment will correct the corrosive quality of the water and also protect the pipes in the future. The total cost for the structures, equipment and labor was \$3,084.90.

All main lines were thoroughly flushed and all hydrants were flushed and tested, repairs made where necessary.

All water gates on Main Street were raised before the new surface was laid.

The small reservoir was cleaned.

One half of the hydrants were painted.

In 1965-7 water services have been discontinued.

In 1965-6 sewer connections have been discontinued.

So far the quality of our water has not been effected by the new highway.

Testing for a new supply of water near the Bridge-water line south of Plymouth is still in progress and should be completed by March 1966 to determine the quality and quantity of water available from this area.

JOHN R. WOOD, SR.

Superintendent

## AUDITORS' REPORT

---

We have audited the cash books of the Treasurer of the Plymouth Village Fire District for the year ending December 31, 1965, and have found the entries to have been correctly cast and properly vouched.

We have examined the surety bonds of the Treasurer and Secretary of the District.

We have burned fifteen (15) Water Department bonds numbered 178-192 inclusive, and five (5) Water Department Bonds numbered 51-55, inclusive, totaling \$20,000.00.

We have burned the following coupons:

One Hundred Twenty-three (123) numbered 178-300, inclusive, totaling \$1,230.00 - April 1965

Fifteen (15) numbered 51-65, inclusive, totaling \$168.75 - May 1965

One Hundred Eight (108) numbered 193-300 inclusive, totaling \$1,080.00 - October 1965.

Ten (10) numbered 56-65 inclusive, totaling \$112.50 - November 1965.
